

Vision

To create an outstanding British international school which empowers all students to embrace learning, achieve their best and promote their intellectual, emotional, social and physical well-being.

ALN NEWSLETTER

Congratulations! The ALN department had a challenging as well as exciting Second Term.

The Second Term, despite the unfortunate cases of Covid, was full of surprising and joyful events for our students. We implemented the Curriculum-based lessons and students adapted to the new Timetables based on all Learning Areas. We finished this Term with assessments of all subjects and the student's IEP goals, in order to follow their progress and provide up-to-date feedback to our parents.

- We started the new Term with a Popcorn and Movie Day to accommodate Leisure Activities and let it smoothly transit into the Learning Areas.
- We had in the ALN Department a Sports Day Competition and promoted the importance of Physical Education for students of all ages.
- We celebrated Book Week and as many of our students are book lovers, everyone had a chance to bring and present his own favourite book or dress-up as their favourite character. Our students organized a play, 'Snow White' and had an outstanding performance, which was attended by Staff, the Head of ALN and the Principal.
- During our quarantine period, we implemented new strategies to improve our support at home and will take the constructive criticism, which we received to build for future any upcoming situation.
- We grew from 2 classes to 4; with new groupings of classes can provide more specialized teaching to address specific needs.
- A new teacher has joined the ALN Team recently and we are happy to inform you, we will open the 5th class in the 3rd term.
- We ended the 2nd Term on a high note by celebrating World Down Syndrome Day. The ALN Team arranged the "Rock your Socks Day" and invited all PSI Staff and students from Primary and Secondary to wear their craziest mismatched socks on Thursday – all to help raise awareness of Down Syndrome and promote that every one of us is different and unique in our own way.

We are prepared and ready for the 3rd term and excited to announce our planned upcoming events:

- ❖ If allowed at the time, more inclusive interaction for our ALN students with the rest of our PSI Community
- ❖ ALN participating in the Spelling Bee inclusive competitions
- ❖ International Day to promote countries all around the world
- ❖ Autism Awareness Month in April to raise awareness and understanding of our heroes

Kind regards

Ms Elena

Head of ALN
